

Free Auto Leaks Workshops

Free workshops offer oil-leak inspections

Promo Video: <http://www.youtube.com/watch?v=UzCzBfISXS8>

Drivers can learn basic car care and get a free oil-leak inspection at the auto leaks workshops offered by the Department of Ecology and the Don't Drip and Drive program. In addition to the professional inspection, the classes, valued at \$125, will cover how to check basic car-care systems, vital fluids, belts, hoses, filters and much more.
