

# MID-AUTUMN Festival

This year, in lieu of our Mid-Autumn Festival, we are hosting a lantern decorating activity and will be displaying your lanterns in our community! Join in on the fun and pick up your lantern in our circle turnaround. We'll also be offering complimentary coloring books with crayons for the kids. Lanterns will be distributed at Aegis Gardens Newcastle on September 20, 2020 from 12-2pm.

## SUNDAY, SEPTEMBER 20, 2020

We will be sharing photos of your lanterns, so make sure to post photos on social media and tag **#NewcastleMidAutumnFestival2020**. The decorated lanterns will be hung around our community, or you have the option to display your lantern in your home! If you would like to display your lantern at Aegis Newcastle please drop it off at the concierge by September 29, 2020.
