How can I make the most of my 401(a) plan?

Choose an investment strategy that's targeted to meet your goals. Keep in mind, your financial needs can change as you get closer to retirement.

Questions? Get personalized help from your MissionSquare Retirement Plans Specialist. See next page for contact information.

While a pension and/or Social Security can go a long way, they may not be enough. Saving to a 401(a) Plan will supplement your retirement income and help you build a secure financial future.

- Contribution amounts are generally determined by your employer
- Investment strategies to fit your goals
- Control over how you withdraw
- No taxes until you withdraw your money
- Access to your MissionSquare representative for personalized help

By actively participating in your 401(a) Plan, you've taken an important first step on your retirement journey. For more information, visit:
